

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC PURCHASED WATER)	CASE NO.
ADJUSTMENT FILING OF HARDIN COUNTY)	2021-00224
WATER DISTRICT NO. 2)	

ORDER

On June 7, 2021, Hardin County Water District No. 2 (Hardin District No. 2) applied for approval to adjust its rates pursuant to the purchased water adjustment procedure.¹

On June 8, 2021, Hardin District No. 2 supplemented its application in order to provide the total amount of water produced during the test period.

Having reviewed the record and being otherwise sufficiently advised, the Commission finds that:

1. Hardin District No. 2 purchases water from Louisville Water Company (Louisville).
2. Louisville notified Hardin District No. 2 that its monthly service charge would increase from \$2,284.29 per month to \$2,364.24 per month, and its wholesale rate would increase from \$2.41 per 1,000 gallons to \$2.46 per 1,000 gallons, effective July 1, 2021. Hardin District No. 2 proposes to increase the water rates to its customers effective July 1, 2021, to reflect the increased cost of purchased water from Louisville.
3. Hardin District No. 2 proposed a purchased water adjustment factor of \$0.01 per 1,000 gallons in its application.

¹ KRS 278.015; 807 KAR 5:068.

4. During the 12 months ended March 31, 2021, Hardin District No. 2 purchased 275,243,000 gallons of water from Louisville, and produced 2,495,468,834 gallons of water on its own. During the same period, Hardin District No. 2 sold 2,250,443,987 gallons of water. The increase in the cost of purchased water is \$14,721.55 resulting in a purchased water adjustment factor of \$0.01 per 1,000 gallons.

5. The purchased water adjustment factor of \$0.01 per 1,000 gallons, as calculated in Appendix A to this Order, is fair, just and reasonable and should be approved.

6. Hardin District No. 2's proposed rates are approved.

7. The rates as set forth in Appendix B to this Order are fair, just and reasonable and should be approved for water service rendered by Hardin District No. 2 on and after July 1, 2021.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment factor of \$0.01 per 1,000 gallons is approved.

2. The rates proposed by Hardin District No. 2 are approved.

3. The rates as set forth in Appendix B to this Order are approved for water service rendered by Hardin District No. 2 on and after July 1, 2021.

4. Within 20 days of the date of entry of this Order, Hardin District No. 2 shall file with the Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets showing the rates approved herein.

5. This case is closed and removed from the Commission's docket.

By the Commission

ATTEST:

Executive Director

Case No. 2021-00224
